Written to support and enhance assessment alongside the pupil texts, these resources offer a range of material for the AQA specification. They provide test questions for each chapter together with detailed mark schemes to make assessment easy. Two versions of each question are provided, one allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organised by unit/chapter is also included in this resource.

This resource has been developed to provide additional support for delivering and supporting ICT at GCSE. Linked to Key Maths, it can be also be used together with other resources. Each program contains a range of self-contained activities that do not require a detailed understanding of the software.

Model Answers provides you with the working and the explanations that will help you achieve your best result in Edexcel GCSE Mathematics (9-1).
