Introduction To Regression Modeling Abraham
Introduction to Regression Modeling. Written By Abraham, Bovas and Ledolter, Johannes. 2006, Edition 1. Category: General Statistics. Level: Intermediate. Duxbury Press. United States of America.

Introduction to Regression Modeling | Minitab
Using a data-driven approach, INTRODUCTION TO REGRESSION MODELING blends theory with regression applications. Students learn the theory behind regression as case studies and exercises from engineering, business, and social and physical sciences demonstrate the purpose of regression as well as how, when, and where regression models work. Students learn to analyze observational data and data from designed experiments.
