How to manage tech support
(and keep your sanity!) One
day you unjammed the printer
and saved the day. But now,
somehow, all technology
resources have become your

Download Free Netopia User Guide

responsibility! The Accidental Techie shows you how to create a support system that will help your organization use technology more effectively and make your day-to-day life less hectic. Step-by-step

Download Free Netopia User Guide

guidance to creating an effective support system
This hands-on guide walks you through five projects that, when completed, will give you a comprehensive and usable support system for conducting a technology

Download Free Netopia User Guide

inventory, assessing and supporting staff, assessing and buying technology, protecting your organization from disasters and data loss, and managing your role. You don't have to tackle the projects all at

Download Free Netopia User Guide

once or in any particular order. Dive in where it makes sense for you.

"Techie Tools" make this guide even more useful. You'll find ready-to-use templates, worksheets, and sample policies; 135

Download Free Netopia User Guide

resources on topics such as funding, discussion groups, application service providers, web site development, and donor management software; a security policy checklist; steps for creating a

Download Free Netopia User Guide

database that gives you the reports you need; and a glossary of terms every techie should know. How to get technology funding A special chapter on funding reveals five questions most funders ask to judge

Download Free Netopia User Guide

technology requests, and gives you tips for creating a compelling request. Build management support for your work Many accidental techies face the challenge of influencing major organizational policies and

Download Free Netopia User Guide

procedures without real authority to do so. Board members and managers can use this book to understand and support your work.

Ultimately, better managed technology leads to better services. Whether you're new
